2016 - 2017 Yearbook Announcement

CJ Rodriguez, Chairwoman
2016-2017 Yearbook Committee

2016-2017 YEARBOOK COMMITTEE MESSAGE

Dear Parents & Faculty,

It's an honor to chair this year's committee as I've already met so many wonderful people thus far. As parents, friends and community supporters, we have a great opportunity to create special memories for our children.

Imagine them in their later years sitting with their children or grandchildren having the ability to touch, hold and re-live memories of their time here at St. James. It will be priceless.

The best part? *You* have the ability to help us create those memories. Through every event, special moment, field trip, sports game, play, fundraiser or volunteer initiative, hundreds of pictures are captured.

We need your help to bring those pictures to life!

Please take a moment to read through this packet as you will discover details from how to order, discount savings, contributing pictures to our "Shared Community" plus more! We have some special touches for you this year so stay tuned for more details.

If you are interested in fulfilling your "Promise" by getting involved with our Yearbook Committee or simply have questions, please contact me directly at: sjcsyearbook2017@gmail.com.

Blessings,

CJ Rodriguez
Chairwoman, SJCS Yearbook Committee

Children anxiously await the arrival of their yearbook with great anticipation every year. Upon receipt, they flip through every page in hopes to see their own smiling faces come to life in a printed book. What an amazing treat this is for them!

CAPTURE MEMORIES. SHARE A LIFETIME.

Our yearbook production is a depiction of your involvement so let's join together and help spread those smiles! We want every child to be celebrated in our 2016-2017 yearbook with ***more than just their school photo*** and we can't do it without you.
