CELEBRATING TRADITION & DRIVING COMMUNITY

This year we celebrate our 90th Anniversary. For nearly a century, St. James Cathedral School has built family and educational traditions that have become a cornerstone for our school and community.

Our Annual Golf Tournament is part of that tradition. Established in 1989, this highly popular charitable event raises scholarship funds for families experiencing financial hardship or personal crisis.

Far beyond direct monetary relief, this tuition assistance provides crucial consistency in the lives of children whose worlds have been upended by events such as job loss, illness, death in the family, or natural disasters.

Generous donations over the course of the years have allowed us to assist over 740 children through our Tuition Assistance Program with monies received directly from this annual fundraiser.

We hope you have a wonderful time and consider being a part of our next year's event to support our continued commitment to Catholic education.

Many blessings,

Dawn Helwig, Principal

McCormick Tradition

Started in 2016 in memory of Fr. John McCormick, the McCormick Cup began a new tradition.

This trophy, which represents Fr. John's love of helping and serving our children, will be engraved with the winning team member's name and will continue in memory of our beloved Pastor, Fr. John McCormick.

Replica trophies are given to the 1st-3rd Place Winners. The McCormick Cup will be a perpetual cup and will be kept at St. James Cathedral School.
