

Camp Blue is right around the corner. We are looking forward to making this a fun and safe experience for our campers. Below are a few logistical details that require your attention *prior to your camper's arrival*.

## 1 DROP-OFF & PICK-UP

### PARKING

Parents are required to park in the middle school parking lot located off of Hillman Ave next to the playground and gym, or along Cathcart Ave and plan on walking their child(ren) into the building each day. **There will be no car-lane for drop-off or pick-up during Summer Camp.**

### DROP-OFF PROCEDURES

**Pre-K & K-8th campers** are required to check-in upon arrival **in the gym foyer**. Pre-K campers will be escorted to their designated areas by a camp counselor.

### PICK-UP PROCEDURES

Upon arrival, parents or authorized contacts must go to the gym foyer to check-out your camper(s). Provide your camper(s) name and grade group to the camp counselor and your camper(s) will be called to report to your location. **Please be prepared to show ID at any time when requested as this is part of our safety check protocol.**

## 2 SUMMER SAFETY

Campers should arrive with sunscreen pre-applied daily. Water fountains are available, however we recommend campers bring their own water bottle with their name clearly labeled on it.

### A CHECK-IN ONLY (Completed & Paid Registrations)

Congratulations! Your camper's seat is secured and all they have to do is check-in and head to their assigned stations where the fun begins!
