

Dear Parents/Guardians,

St. James Cathedral School is committed to providing the highest quality of education for each of our students. To help ensure each learner's success, we administer reading and math assessments three times per year. The assessments include DIBELS (assesses basic literacy skills), STAR (reading assessment), and EasyCBM math. The information generated by these assessments is used by the classroom teacher to track each student's progress. The initial assessments are done the first full week of school, and accordingly will start on Monday, August 13<sup>th</sup>. Please do not hesitate to reach out to us with any questions.

Sincerely,

Susan Quinones ([Susan.Quinones@stjcs.com](mailto:Susan.Quinones@stjcs.com)) and Anna Lee Cathcart ([AnnaLee.Cathcart@stjcs.com](mailto:AnnaLee.Cathcart@stjcs.com)).
