## Wall of Heroes

(Honoring the Brave Banner: <https://camaraderiefoundation.org/wall-of-heroes-2/>)

### Goal

The Wall of Heroes Campaign is a mini-campaign designed to spread awareness and raise funds for Camaraderie Foundation's **Saving Lives – Saving Families Campaign**. The goal of the campaign is to provide counseling support for **1,000** Service Members, Veterans, and family members battling Post Traumatic Stress and other mental health conditions.

### Campaign Duration

The Campaign will launch **October 15<sup>th</sup>** and will end on **Veteran's Day, November 11<sup>th</sup>**.

### How it Works at St. James Cathedral School

National Junior Honor Society will have a table set up on the cobbles before school beginning Monday, October 22. Students and parents can donate \$1 or more and in return receive a card upon which to write the name of a Veteran or an Active Service Member to honor. An NJHS member will then place that name on our Wall of Heroes in the cafeteria.
