

Calling all Boys & Ghouls!

On October 31st, we will hold the annual St. James Pumpkin Festival! Bring your decorated pumpkins to the gym before school on October 31st! **Please note, due to space constraints, only be one pumpkin per family.**

Think outside the box! Use paint, glitter, glue or slime, or go vintage and carve it! We are so excited to see what your family will make!!!

Additionally, the clergy & the administration will award a 1st, 2nd, and 3rd place prize, along with a gift to reward each place. The winners will be announced at end of school. Awards will be placed next to the pumpkins.

Please pick up your pumpkin at dismissal. If you are attending after care, they will be lined up against the outside gym wall.

The kids (and parents) really enjoy this annual tradition, and it's another fun way to bring our St. James community together. Should you have any question, please reach out to Shannon Pierce at 407-484-4661. Thank you!
