2019-2020 School Year

St. James Cathedral School

The School Day Just Got Healthier!

Maschio's is committed to making a nutritious difference in your school. Your child will be satisfied with our nutrient-dense, "right-sized" Meal Deals that include fruits, vegetables, and whole grain-rich options. And, because we know some highly active students may desire more calories, we offer second helpings of food components at an additional cost. Additionally, students have an option to buy a-la-carte items such as drinks, fruit, and snacks. We take great pride in being able to offer your children a variety of healthier food choices so that they can fuel their bodies to get them through the school day and beyond!

Payments

- SJCS uses a computerized point of sale system in the cafeteria.
- Parents can load funds to their child(ren)'s account(s) online to be used for payment any day.
- Any remaining funds at the end of the school year will carry over for the following school year or may be transferred to a sibling's account.
- A family will have one user account under which you will add each student and load funds to each specific child -- the program does not use one "family pot" of funds.
- **Once you receive an email from payschoolscentral.com with your child-specific pin number(s), you may then set-up your account.**
- Follow the directions [found here](#) for easy set-up.
- Please note: funds can be added/payments made 24-7 at user's convenience.
- Low-fund balance alerts will be sent to parents.
- Parents can access purchasing history at anytime.
