

Come to Learn. Leave to Serve.

St. James Cathedral School has been blessed to be a cornerstone in our community for nearly a century. Beginning in 1928, St. James has built family and educational traditions that span generations. Our Annual Golf Tournament is a part of our rich tradition and we are excited to celebrate its 31st year.

Since its inception in 1989, the tournament has positively impacted the lives of over 800 students, providing scholarship funds for families experiencing financial hardship or personal crisis. These monies provide much more than financial relief; they afford consistency in the lives of SJCS children who have been affected by events such as job loss, illness, death in the family, or natural disasters.

It is truly our honor to host generous sponsors, players, current and past families, alumni, and community supports each year. We hope you will join us in making a difference in our students' lives as a donor, sponsor, or player affirming your support of our continued commitment to a Christ-centered education.

See you on the links for the 31st Annual Golf Tournament!
