St. James Cathedral School has been honored to serve families and children in grades Pre-K through eighth in the heart of historic downtown Orlando since 1928. While many things throughout the unprecedented past 12 months have changed, our mission of academic excellence and spiritual enrichment for 90+ years remains the same. We continue to help every child realize his or her full potential through student-centered classrooms that foster collaboration, communication, exploration, and creativity.

We are planning for our 13th annual Gala & Auction to be held on Saturday, April 17, 2021. In an effort to keep our community safe, but still stay connected, our celebration will be virtual this year. The annual event is a special evening that brings together SJCS families, friends, community supporters, benefactors, and alumni. We hope that you will join us as we celebrate our school and raise funds to help with building improvements.

This year's event provides a wonderful opportunity for business and community leaders to support our school by becoming a sponsor, donating an auction item, or doing both! Your generosity is sincerely appreciated as it helps us continue our mission which is far greater than a single day or a particular component of curriculum; we are forming Christians who Come to Learn. Leave to Serve.

Please complete the Donation Form and return it to the school via email or standard post. Know that we would be honored to make arrangements to pick up items. For sponsorship opportunities (including several marketing and advertisement perks across a variety of mediums and outlets) please visit [www.stjcs.com/gala](http://www.stjcs.com/gala).

In Christ's Love,

A handwritten signature in black ink that reads "Jayme Hartmann".
