Storytime Chess (PreK3-PreK4; $160)

Mondays 3:30-4:15
Hosted by Storytime Chess
We bring chess to life through magical storytelling and colorful characters! Our award-winning program was created in New York City and is used all around the world. Beyond teaching the game itself, Story Time Chess strengthens focus, literacy and critical thinking skills - all while having fun! Through silly stories, mini-games, and guided play, we teach young children how to play chess in a way that's playful and memorable. We can't wait for you to join us!

Little Movers (PreK3-PreK4; $200)

Tuesdays 3:30-4:15
Hosted by Coach Stephanie
Get ready to move, play, and grow! Little Movers Club helps children build gross motor skills through fun activities like running, jumping, hopping, balancing, throwing, and kicking. Children will develop coordination, body awareness, and confidence while practicing teamwork, taking turns, following directions, and encouraging their friends!

Arctic Explorers (K Only; $175)

Tuesdays 3:30-4:15
Hosted by Ms. Crutcher
Bundle up for adventure! In our Arctic Explorers Club, kids will journey to the chilly North to discover the amazing plants and animals that make the Arctic so unique. Each week, students will dive into fun read-alouds, work together on hands-on activities, and create their very own crafts inspired by what they've learned. It's a frosty, fun-filled way to spark curiosity and explore the wonders of the Arctic!

Winter STEM (K-2nd; $215)

Tuesdays 3:30-4:15
Hosted by Ms. Young
Get ready to think, build, test, and explore! Winter STEM Explorers is a hands-on-after-school club where young scientists and engineers investigate the wonders of winter through fun, age-appropriate STEM challenges. Each week, students will explore a new winter-themed question or problem-from keeping a penguin warm and building an animal shelter to experimenting with ice. Students will have opportunities to make predictions, build models, test their ideas, solve problems, and improve their designs.

Brain Boosters (1st-4th; $175)

Tuesdays 3:30-4:15
Hosted by Ms. Alderink
Each week, students will strengthen their grade-level skills through engaging games, trivia, and individualized homework and classwork support. With teacher guidance, students will review key concepts, build confidence in ELA, Math, Science, and Social Studies, and prepare for upcoming lessons. Learning has never been so much fun!

Stories with Puzzles (3rd-8th; $185)

Mondays 3:30-4:30
Hosted by Mrs. McDonald
Students will use the power of stories to encourage students to take risks and explore new ideas and new ways of thinking. Each week, students will be invited into a secret, exciting dream world of short adventure stories. Stories will engage students in playful puzzles, strategic games, and collaborative challenges.

Glazed and Amazed (4th-8th; $250)

Tuesdays 3:30-4:30

Hosted by Mrs. Searles and Stephanie Fasen

Unleash your creativity in this fun and educational after-school clay class. Perfect for beginners, this hands-on club introduces the basics of working with clay and stoneware. Students will learn pinch and slab building techniques, surface texturing, decorating, glazing, and how the kiln-firing process transforms their creations. Each student will design and complete at least two unique, fully finished projects—both decorative and functional. Take home beautiful, handcrafted pieces to keep or give as meaningful gifts.

Crochet Club (4th-8th; $200)

Tuesdays or Fridays 3:30-4:30

Hosted by Mrs. Lopez

Hook, loop, create! In Crochet Club, students will learn essential crochet skills like holding a hook, making slipknots, chain stitches, single and double crochets, and reading patterns. They'll put their new skills to work on fun projects like bracelets, keychains, bookmarks, scrunchies, emoji stress balls, and more. All materials are included—just bring creativity and a love of making!.

Panther Stock Market (6th-8th; $185)

Thursdays 3:30-4:30
Hosted by Mrs. Conn
The club uses the SMG interactive academic simulation that transforms students into global investors. This competitive program provides student teams with a virtual $100,000 cash portfolio. Participants conduct real-time market research, buy and sell publicly traded stocks, exchange-traded funds (ETFs), and mutual funds, and actively track their financial performance against real-world economic indicators.

MS Math Club (6th-8th; $200/1x week; $280 2x/week)

Mondays & Thursdays 3:30-4:15
Hosted by Ms. Wilkes and Ms. Lutz
Middle School Math Club offers dedicated time for completing assignments, test preparation, and receiving personalized instruction. It reinforces classroom concepts and addresses individual learning gaps. Students also enjoy weekly math puzzles and collaborative challenges, fostering creativity and teamwork.
